

Justin Amash

Congress

Representative, Michigan 3rd (L)

freedomindex.us/1026/

93
Lifetime Freedom Score

Congressional Scorecard 116-1

Based on the Principles of the U.S. Constitution

★ Constitutional ✗ Unconstitutional ? Did not Vote **Vote**

1. **HR 5430 USMCA** (Passed 385 to 41 on 12/19/19). Contains the most dangerous provisions of NAFTA and the TPP. It will lead to a North American regional government similar to the European Union. **NO** ★

2. **HR 2500 Amendment Indefinite Military Detention** (Failed 187 to 236 on 7/12/19). Would prohibit indefinite military detention of any person (including Americans). Indefinite detention without trial violates habeas corpus. **YES** ★

3. **H.R. 5 Equality Act** (Passed 236 to 173 on 5/17/19). Expands definition of protected classes in federal law to include “gender identity.” Males who identify as females would be able to use public restrooms of the opposite sex — and vice versa. **NO** ★

4. **H.R. 9 Paris Agreement** (Passed 231 to 190 on 5/2/19). Would prohibit the use of federal funds for withdrawal from the Paris Agreement. Fulfilling the agreement would stifle U.S. economy without impacting on alleged man-made global warming **NO** ★

5. **HR 8 Firearms Background Checks** (Passed 240 to 190 on 2/27/19). Extends federal background checks to private sales, severely and unconstitutionally infringing on the right to keep and bear arms. **NO** ★

6. **HJR 31 Consolidated Appropriations** (Passed 300 to 128 on 2/14/19). Provides \$333 billion in “discretionary” spending for the seven remaining fiscal 2019 appropriations bills. Most of the bill’s spending programs are unconstitutional. **NO** ★

Estimated cost per household: **-\$2,590.00/year.**
